CDPQ ups stake to 50% in power co

1: **Mumbai:** Canadian pension fund Caisse de depot et placement du Quebec (CDPQ) has increased its stake in Apraava Energy to 50% from 40%, making it an equal shareholder in the Indian power producer. CDPQ bought the 10% stake in Apraava from existing shareholder Hong Kong-listed CLP Holdings for \$83 million. The stake consolidation comes three and a half years after it first checked into Apraava. That time, it had paid \$365 million for the 40% stake. TNN
